

July 2011

Dear Alliance Participating Provider:

Attached are The Alliance membership reports for July 2011. Your cooperation in routing this information to the appropriate staff within your organization is greatly appreciated. Please keep this set of reports for your reference in the coming months. You will receive updates only to these reports in May and June—full reports are only sent quarterly. The attached set of reports replace the last full set dated April 2011 and all updates since then; please discard all previous versions.

- With this month's Alliance membership reports we welcome:

Employer	TPA
Ballweg Automotive Group	Benefit Plan Administrators (BPA)

- A few members are no longer with The Alliance. They include:

Employer	Claims incurred prior to 7/1/2011 will be accepted by:	Claims will be accepted until:
Sonic Foundry	Benefit Plan Administrators	12/31/2011
Wisconsin Telecommunications Association (WSTA)	Cypress Benefit Administrators	12/31/2011

- **TriEnda, LLC** was purchased and changed their name to **Revstone Industries, LLC** as well as moving their administration services to a new Third Party Administrator (TPA):

Employer	New TPA	Claims incurred prior to 6/24/2011 will be accepted by:	Claims will be accepted until:
Revstone Industries, LLC fka TriEnda, LLC	Revstone Health Services	Benefit Administrative Services	6/23/2012

- **Chambers and Owen, Inc.** became an Alliance participating employer on November 1, 2010. At that time their administrator, WPS, issued new ID cards clarifying Alliance access and new claims filing address. Unfortunately, it has become clear that a vast majority of providers have not updated this information as claims continue to be filed directly to WPS, bypassing The Alliance.

Upon receipt, WPS is denying these claims for Alliance repricing. **We ask that you please share this information with appropriate staff and reinforce the need to request a copy of new ID card and update patient records when services are provided by your organization.** Taking this step will help to ensure proper filing of claims directly to The Alliance which will avoid payment delays or claim denials.

- **John Deere & Company, Inc. and Johnson Financial Group** continue to access The Alliance. It has come to our attention that the United Healthcare (UHC) online eligibility tool and payer # on ID card **incorrectly** instructs you to file claims to UHC. UHC is not able to customize this site for Alliance enrolled employees so, regardless of what UHC advises, **continue to file claims to The Alliance.**

Would you like to access monthly membership reports and updates on the Web?

To access the reports and updates on the Alliance Web site, please send an e-mail to [providerservices@the-alliance.org](mailto:providerservices@the-alliance.org).

Please ask your front-line staff to capture the third party administrators (TPA) information from patients' medical ID cards for important phone numbers to call regarding pre-certification, eligibility and coverage questions. These types of calls go to the TPAs, not The Alliance. Claims are repriced by The Alliance and then sent on to the TPA for payment.

If you identify operational issues/improvement opportunities please share your feedback with me at 608.210.6601 or [cboehmer@the-alliance.org](mailto:cboehmer@the-alliance.org). If you have questions about the enclosed reports, call Customer Service, 608.276.6630 or 800.223.4139.
