Get the Same Perks as the Big Guys. You Can Self-Fund too!

- ▶ Access insights into your claims data and cost drivers because it is your information, not the insurance company's.
- ▶ Gain control of your health benefits through benefit design structure, cost control offerings, network decisions and more.
- ▶ Engage in a long-term funding strategy that can be more cost-effective than the yearly back-and-forth with your insurance company.
- ▶ Join a community of employers empowered with direct contracts to a wide network of medical providers.
